Dated 23rd Jun'26

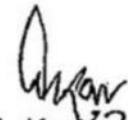

Trade Circular

Sub: Concessions on Vessel Related Charges (VRC) and Cargo Related Charges (CRC) for using Floating Crane for handling containers at Kolkata Dock System (KDS).

Container vessels using the Floating Crane facility and subsequently calling at KDS on or after 01.07.2026, are extended the following remissions and rebates on Vessel Related Charges (VRC) and Cargo Related Charges (CRC).

- For container vessel availing Floating Crane Services at Diamond Harbour Anchorage and subsequently calling at KDS or vice versa, 50% of applicable shifting charges for shifting between KDS & Diamond Harbour anchorage, shall be levied. This rebate shall be applicable for vessels that call/sail to/from any berths of KDS (NSD and KPD including PPP berths) after lighterage /topping up of containers at Diamond Harbour.
- 50% rebate on Composite Box Rate charges shall be granted on Loaded Foreign Containers only which are transhipped through Floating Crane at the Diamond Harbour Anchorage and subsequently handled at Docks and Vice versa. This rebate would only be applicable for the containers handled at port operated berths and not at PPP operated berths since Port is not realising any Composite Box Rate charges there.
